

# Silent Trees Series

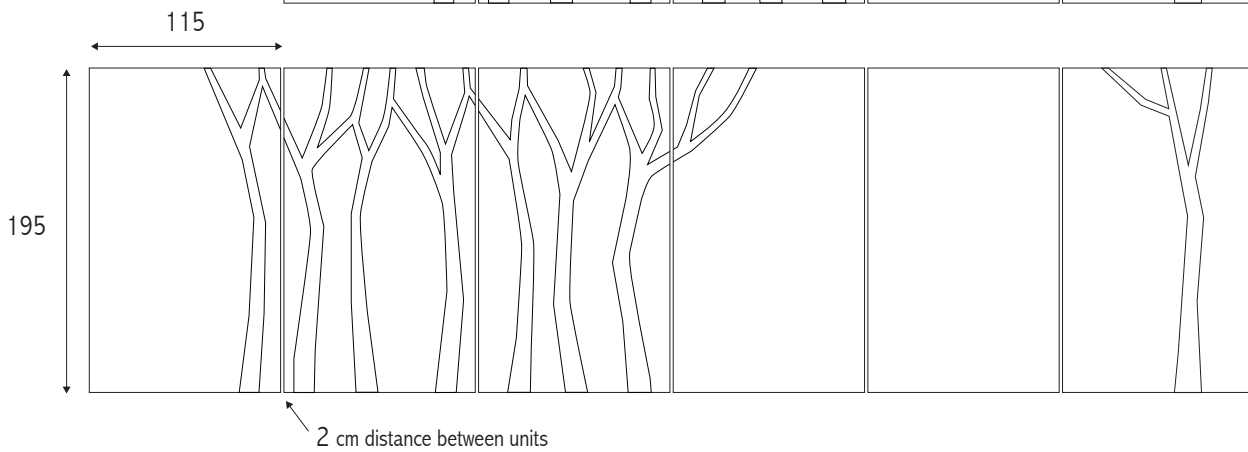

Design: Krista Kosonen & Mari Martikainen

349 x 195

583 x 195

700 x 195

The Silent Trees design fits into various spaces due to its modular, adjustable pattern design. Ask for a composition that fits your space!  
In addition to direct composition, the modules can be placed e.g. over a corner or to opposite walls in the space.
